# SPONSORSHIPS

The American Academy of Physician Life Care Planners (AAPLCP) Annual Assembly brings together a concentrated network of MDs, DOs, non-physicians, and other clinical and forensic professionals dedicated and interested in the discipline of life care planning.

Our attendees come seeking new opportunities to learn, extend and strengthen their life care planning knowledge and insight, which ultimately helps them become successful and confident life care planners.

Over a few session days, attendees enjoy plenty of personal one-on-one networking and share best practices with novice and seasoned life care planners from across the U.S.

## WHY SPONSOR?

### Build Brand Awareness!

AAPLCP provides a unique opportunity for conference sponsors to enhance their brand recognition, engage with attendees about their services and provide collateral for continued post-conference engagement.

Our customized sponsorships help you target audiences while on-site, as well as beyond the conference with opportunities that will produce additional value and increased views.

Now is the time to select a sponsorship with major benefits that will not only meet, but exceed your company's marketing needs.

Only a few exclusive opportunities are available.

# TESTIMONIALS

*The opportunity to be the first sponsor for the AAPLCP conference was truly an honor and was very productive. I learned how our technology aligns with how physiatrists treat patients daily, and what AAPLCP does for life care planning subjects with serious life-changing conditions. The conference has a boutique feel and it's very easy to get to know the attendees. It allowed for discussions about how NeuX Technologies could be a resource in a life care plan and how the technology can assist physiatrists in their private practices. Thanks again to everyone involved in planning the conference!*

– M. Young Brian, III
